Ethical applications of the Global Internal Audit Standards

This course is designed specifically for internal auditors seeking to enhance their knowledge and skills in alignment with the revised International Professional Practices Framework (IPPF) and Standards set forth by The Institute of Internal Auditors (IIA). This course delves into the changes introduced to the IPPF and Standards, with a particular emphasis on Domain II.

Participants

Internal auditors, internal audit managers, CIA holders.

Prérequis

None

Objectifs pédagogiques

- **Examine** the changes to The IIA's Global Internal Audit Standards and their significance for internal audit functions currently in conformance with the 2017 IIA Standards.
- **Analyze** ethical scenarios within the context of the revised standards and develop strategies to address them.
- **Enhance** professional judgment and decision-making skills when faced with ethical dilemmas in the auditing field, based on conformance with the new Global Internal Audit Standards.

Contenu

Ethical dilemmas are inevitable in the internal audit field. Ethical professional judgment is essential to navigating these dilemmas. The IIA's Global Internal Audit Standards, particularly Domain II, provide support to the profession in this area.

Moyens pédagogiques

The course material consists of text, downloads, videos, quotations and considerations.

Modalités d'évaluation des acquis

Progress of learning and assessment of participants' achievements by the trainer throughout the training course: discussion time, practical work, training exercises, quizzes. An online satisfaction survey is conducted for each trainee. This assessment is supplemented by the trainer's evaluation at the end of each session.
