# Support in preparing for the CIA Part 1 and the IAP

This training supports your preparation for Part 1 of the CIA corresponding to the IAP, after personal revision. You will learn exam techniques, practise on sample questionnaires, revise the main concepts and benefit from the expertise of a certified trainer. You will need an active licence for part 1 of the Becker Kit (or CIA Learning System with Becker online access).

## Participants

Internal Auditors candidates for Part 1 of the CIA (IAP).

## Prérequis

Have an active licence for part 1 of the Becker Kit (or CIA Learning System with online Becker access).

Participants must have worked on the part before the start of the session.

This course is a review of previously acquired content.

## Objectifs pédagogiques

- **Familiarise** yourself with exam techniques
- **Reinforce** your knowledge of main topics of the syllabus
- **Prepare** a personalised revision programme

## Contenu

In addition to practical training questionnaires, the course will review the CIA Part 1 syllabus (Internal Audit Fundamentals) :

- Section A. Foundations of Internal Auditing
- Section B. Ethics and Professionalism
- Section C. Governance, Risk Management, and Control
- Section D. Fraud Risks

## Moyens pédagogiques

Visual presentations, online quiz

## Modalités d'évaluation des acquis

Progress in learning and assessment of participants' achievements by the trainer throughout the training course: discussion time, practical work, training exercises, quizzes. An online satisfaction survey is conducted for each trainee. This assessment is supplemented by the trainer's evaluation at the end of each session.

## Intervenant

A CIA certified internal audit expert
